

Move forward with us to achieve a healthier life.

We will gladly
help you with this.

Discover the advantages of group health insurance through your employer at Menzis. And move forward with us. Go to menzis.nl/collectief

Good health insurance through your employer and Menzis.

With the group healthcare insurance of your employer at Menzis, you will receive a discount on the Basic (Menzis Basis and Menzis Basis Vrij), additional and dental insurances through your employer or (membership) organisation. The members of your family will also benefit from this discount. In addition, you will possibly also benefit, as an employee, from additional reimbursements and treatments on top of your additional insurance. Will you join SamenGezond (Together Healthy)? You will then also benefit from additional advantages.

Go to menzis.nl/collectief and switch before 1 January.

SamenGezond: your healthy support network

The online health programme SamenGezond will assist you by providing an online coach, tips, blogs and challenges to achieve a healthy lifestyle. For example, by having a healthy diet, exercising more or ensuring a better work/life balance. Healthy lifestyle changes are rewarded with points that you can exchange for a discount on products, outings or additional discount on your additional insurance. SamenGezond helps you move forward to achieve a healthier life.

This is why you choose Menzis

- ✓ Attention for your life force at home and at work. With additional reimbursements, SamenGezond and a discount on your premium through your employer
- ✓ Everyone is welcome: we do not select based on health or age.
- ✓ Do you have to wait long for treatment? We investigate where you can be seen quicker.
- ✓ The Menzis Life Force Consultant for questions about your lifestyle.
